Who is ICF?

Founded in 1995, the International Coach Federation (ICF) is the leading global organization dedicated to advancing the coaching profession by setting high standards, providing independent certification, and building a worldwide network of credentialed coaches. With thousands of professional personal and business coaches representing over 100 countries, the ICF is the voice of the coaching profession.

Making a Difference for You

Professional Recognition

The International Coach Federation's rapid expansion indicates worldwide recognition of the value of ICF Credentialed coaches. By becoming a member, you demonstrate your commitment to the field of coaching and your commitment to standards of excellence.

Shared Ethics & Standards

ICF coaches subscribe to an internationally recognized philosophy of coaching and code of ethics. ICF coaches are subject to an ethical review process, including an objective investigation, follow up and disciplinary action, should a concern be reported.

Coaching Credentials

ICF is renowned for its globally recognized credentialing program, which is available to any coach who has completed the required education and coach-specific training in order to receive the professional credential and recognition.

Coach Referral Service (CRS)

ICF offers credentialed coaches the option of participating in our online CRS program. The CRS increases your visibility as individuals and companies seeking coaching services use the CRS to find the right coach.

ICF Website and Newsletter

All ICF members have access to "members only" content on the ICF website and receive ICF's monthly member newsletter, *Coaching World*.

Library of Presentations

The ICF's library of presentations contains many items for both members and ICF Chapters, including: marketing and public relations kits, fact sheets, brochures and more.

Research on Coaching

ICF is committed to collecting and disseminating research on coaching. ICF members enjoy reduced pricing on coaching research commissioned by the ICF.

Special Interest Groups (SIGs)

SIGs offer an additional venue for coaches in similar fields to communicate best practices and new ideas. Over 30 SIGs meet by teleconference monthly.

Resource Partners

The ICF has partnered with various groups to offer a discount or special pricing on products and services to ICF members.

Coaching Conferences

ICF Conferences offer coaches new techniques and concepts through incredible programming, the opportunity to network with other coaches and lots of fun. Each year, ICF hosts an international conference. In addition, regional ICF Conferences are regularly hosted in Australia and Europe. Coaches who attend have the opportunity to earn Continuing Coach Education Units (CCEUs) at these events.

Local ICF Chapters

Any ICF member can choose to participate in a local chapter. Local chapters offer coaches monthly occasions to meet fellow coaches and attend programs and educational coaching events where CCEUs are offered.
